PRESS RELEASE

Wagner Meters Join Fuse Alliance As A Preferred Supplier

Laguna Niguel, CA [September 2, 2016] – Fuse Alliance, a Member-owned organization of professional, commercial flooring contractors, announced today that Wagner Meters, a respected world leader in moisture meter and moisture management solutions, has joined the network as a preferred supplier.

Based in Rogue River, Oregon, Wagner Meters offers moisture meter and moisture management systems. Fuse Alliance members will have access to Wagner's entire line of high quality meter products. The company's moisture meters are known for accurate, consistent meter readings and its IntelliSense™ technology behind each professional moisture meter allows accurate readings.

"For over 50 years Wagner Meters has helped flooring contractors identify moisture related problems in wood and concrete to avoid installation problems down the road," said Geoff Gordon, executive director for Fuse Alliance. "We are proud to have them as a Fuse partner."

About Fuse Alliance

Fuse Alliance is a Member-owned organization of professional, commercial flooring contractors. With more than 90 companies in 159 *locations across the United States and Canada, the organization's member businesses represent approximately \$1.2 billion in sales and services. Fuse Alliance is made up of a unique network of flooring experts with a combined experience that spans across flooring product knowledge, installation expertise, and a keen understanding of meeting the environmental requirements of today's market. Fuse Alliance's governing body is an executive Board of Directors made up of 13 Member business owners. Through its member network, Fuse Alliance is dedicated to serving the North American market and members can be found throughout the United States and Canada.*
